DESIGNING POSTERS FOR THE IAGA 2009 GENERAL ASSEMBLY

Recommended poster sizes of IAGA 2009:

- ISO A0 (841mm × 1189mm, 33.1 in × 46.8 in), portrait oriented
- ANSI E (34 in × 44 in, 864 mm × 1118 mm), portrait oriented.

Size of useable area available on all poster boards: width/height = 870 / 1300 mm or 34.2 / 81.1 in.

We recommend reading our detailed recommendations and suggestions for designing your poster.

You can also download the official logo of IAGA 2009 General Assembly from the webpage of the conference: http://www.iaga2009sopron.hu/guidelines_poster.html

Posters are on show throughout the whole week of the Assembly. Please hang up your poster(s) as early as possible and leave it/them up as long as you can.

Poster halls will be open:
14:00-19:00 on Sunday (23 August) and
08:00-19:00 from Monday-Saturday (24-29 August).

1300 mm (81.1 inch)

870 mm (34.2 inch)

Pins and tacks will be provided to fix posters on the poster boards. Please be prepared to use these as the surface of the poster boards is not suitable for using adhesive tapes.

Please be informed that a poster printing service have been introduced for your convenience. We offer you the possibility to print your poster locally in ISO A0 size, so that you do not have to be bothered with the production and transportation of your poster. If you are interested, more details can be found on the webpage of the conference in the guidelines section for posters:
